Thursday

Dear Mary

It was a pleasure to get your letter some time ago. Thanks for same. I hope all are well as we are. Thank Heaven. A week ago I asked H to go to N.Y. thinking some of Salem & Peabodyites would be along all I found was Wennie [mother of Joan Murtagh Hunt] & family sitting on the stairs in Quinns luckily I had a key. Helen Marie [this might be Ellen Henry Quinn's dau] is going to school now. Marie Murtha told me Maggie Seery is married to John Cunney (Jack). My pen is so bad I had to throw it aside. I won't get on till I go to New York on Sep 27th. My mothers ankle was sore but is improving. I am enclosing more snapshots I had made yesterday. Hope your father liked the Headstone. Mary do not bother to answer till I write again next week. I'll know what & where I'll be. Excuse note. Cath Murtha needn't write I have all the latest from Marie from Ireland, which is nothing. Love to all at 8 Mt V.
